Canalgre faithers are certain of a large and paying crop and can raise it with little labor and expense. Unitivate can-

D. P. Carr's bill introduced to the leg-slature to prevent prize fighting to the Territory has been referred to the com-mittee on militia.

The HEARLIGHT legislative reports are right up to the hour of going to press and give all the important news in newsy; resulable form.

Under the new gaming law as intro-fluend by Councilman Desmarais, gam-ing tables and such and every game are to pay an annual license of six hundred Bollers in quarterly installments.

Defining needs a Board of Trade and heeds it badly. Some plan of action should be agreed upon for the systematic advertising of our Wollderful resources and it only can be done by organization.

The legislative bill giving women the right of suffrage also provides that they had be entitled to hold the effices of soacol superintendent, school director and member of the board of examiners of teschiers. The age at which they aball be entitled to rote is twenty years.

Cierical applicants for free transper-intion on a western railroad receive the fellowing card, it is mid: "Thou shalt not pass," Rumbers xx.18; "Buffer not a man to pass," Judges ill:28; "None shall ever pass," Isalah xxxiv:10; "This gener-ation aball not pass," Mark xiii:30; "Though they roar, yet they cannot pass," Jéremiah v:22; "Be they paid their fare and went," Jenah 1:2.

The reported resignation of Judge A. B. Fall from the beach of the third judicial district will be received with regret by every person who has ever seen Judge Fall's method of transacting public business. During the short time that he has presided ever Grant county's countries business has been disposed of the the satire extisfaction of all parties interested than any preceding officer has done in twice the time. Mr. Fall has preven bimself in able, fearless, connciencious judge and the people of this country, independent of party affliations, give him credit for the great work that he has accomplished.

At St Louis the thermometer registered. It below, at Kansas City, 3 below, at Chicago, 9 below, at St. Paul and Minno-apolis 2 below. These observations were taken at soon last Enturday.

At Deming on the same day and at the prices and the air was as mild and salubrious as on a spring day. But flaturday was not an exception—merely the same conditions that each there from one year's end to another. Take the observations that each therefore any indications, give him credit for the great work that he has accomplished.

The figures given for each day were taken at the hours of 8 s. m., 12 m., and 6 p. m. respectively:

S a. m.—12 m.—6 p. m.

An industry which is particularly adapted to Demitig is the tanning of hides: Sifuated as we are, in the midst of a great stock raising center, hides can be obtained at very low prices, while the Tanuing Extract factory furnishes the best faming agent knewn to the civil-tied world—canalgre extract. As it is, hides are shipped abserd, tanned and bend and beach. All that is needed is skilled the record above gives an idea for Janlabor and modern machinery to establish labor and modern machinery to establish nary, the coldest month is the year. The a paying industry here. Another opening is to be found in the manufacture of the Desert of Sahara, and bright sun. paper. All the plains about here are shine makes the climate the mildest and paper. All the plains about here are covered by the well known Yucca plant, particularly suitable for making paper; while at present hundreds of tons of paper are shipped in here annually and hundreds of dollars go out of the country to pay for it. Let us develope some of our resources before we begin to cry herd times:

Check it at Once AYER'S Charry Pectoral.

"Early in the Winter, I took a severe cold which developed into an obstinate, hacking cough, very painful to endure and troubling me day and night, for nine weeks, in spits of numerous remedies. Ayer's Cherry Pectoral being recommended me, I began to take it, and inside of \$4 hours, I was relieved of the tickling in my throat. Before I finished the bottle, my cough was nearly game. I cannot speak too highly of its excellence."—
Mrs. E. Hosch, Eston, Ohio.

Ayer's Cherry Pectoral Received Highest Awards AT THE WORLD'S PAIN

P.OURES DON'T LIE.

Associate Press dispatches in Sunday's papers announced that another cold wave was sweeping ever the east and quoted some temperatures in the larger cities. At St Louis the thermometer registered 10 degrees below Zero, at Indianapolis, 18 below, at Kanasa City, 3 below, at Chicago, 9 below, at St. Paul and Minneapolis 2 below. These observations were taken at noon last Esturday.

At Deming on the same day and at the name hour the thermometer registered 67 obers and the air was as mild and sain-brious as on a spring day. But Saturday

uary, the coldest month in the year. The most equable of any on earth.

The New Year.

Finds Hood's Sarsaparilla leading everything in the way of medicines in three impression carticulars, namely: Hood's areaparilla has 1. the largest sale in the world. It accomplishes 7. The greatest curse in the world. It has

2. The largest Laboratory in the world.

What more can be said? Hood's Sarsaparilla has merit; is peculiar to Itself, and most of all, Hood's Sarsaparilla cures. If you are sick, it is the medicine for you to take.

That elight coid, of which you think so little, may lead to serious trouble with the longs. Avaid this result by taking Ayer's Charry Pectoral, the best known remety for coids, coughs, catarrh, bronchitis, inciplent consumption, and all other throat and lung disasses.

Rheumatism in the back, shoulders hips, ankles, althous, or wrists, is caused by accumulation of acid in the blood Haud's flaraparilla neutralizes the acid and curse sheumatism.

Buckingham's Dye for the whishers does its work thoroughly, coloring a uni-form brown or black, which, when dry will neither rub, wash off, ner saif fform
